HQMC MENTORING PROGRAM

Human Resources and Organizational Management Branch

HQMC Mentoring Program

Mentoring is a developmental relationship in which a more experienced person (the mentor) provides *guidance*, *knowledge-sharing*, and *learning opportunities* to a less experienced employee (the mentee). It is an effective way to provide professional development and to enhance learning between colleagues at different levels and stages of their career.

Recommend the Mentor is two grades higher and outside of your Chain of Command

Organizational and Workforce Management Section (ARHM), Naval Support Facility, Rm 2R255
